Please answer the following questions briefly in the participant's own words:

1. What made your organisation join the AI training programme?

Answer: Because I want to use AI to help with sales in our shop.

2. How has your experience with the AI training programme been?

a. What stood out as highlights or particularly memorable moments? Why?

b. Were there areas where the programme could be improved?

Answer: It was a good experience because I was very interested in this training and in learning how to use AI. I can see that AI is smart, easy to use, time-saving, and easy to find and collect information.

3. In your own words, please describe how the programme has benefited your company and the results you have seen after completing it.

- a. Can you share a specific example or story of how your team applied what you learned?
- b. What change (small or big) have you noticed in your business since the training?

Answer: It helps advertise our products to customers. For example, I have used AI to create posters and advertisements. I can see that using AI is more convenience and it also help in planning for improving my shop.

4. If you had to explain/describe the value of the AI training programme to another company or business leader, what would you tell them?

- a. Would you recommend this programme to others? Why or why not?

Answer: I will introduce them to the benefits of AI and explain how to use it based on what I learned from this training.
