

CURRICULUM VITAE

PERSONAL DETAILS

Name: **VEN Seyhah, PhD**

Sex: Male

Nationality: Cambodian

Address: Borey Mongkol Phnom Penh I, Toul Sangke II, Reussey Keo, Phom Penh;

Email: vseyhah@gmail.com

Tel: 077 771 208

Professional Profile

PhD-level Development Economist and Data Analyst with over 20 years of professional experience spanning human resources and administration, applied research, and policy analysis. Demonstrated expertise in trade policy, labor markets, and higher education systems, with a strong command of economic analysis and institutional contexts. Currently operates at the intersection of academic research, policy consultancy, and agentic AI-driven data science, translating rigorous analytical insights into practical, decision-ready solutions.

- **Education:** PhD & MA in International Development (Nagoya University, Japan).
- **Academic & Research:** Currently an Adjunct Lecturer and Freelance Consultant; formerly a Research Fellow at the Cambodia Development Resource Institute (CDRI).
- **Key Consulting:** Leads high-impact projects for the ADB, UNCTAD, The Asia Foundation and ERIA, specifically in trade facilitation (NTMs), industry transformation, the national strategies for statistical development and vocational skills development.
- **Technical Expertise:** Advanced data modelling using Python, R, and STATA, with recent specialization in RAG and Agentic AI.
- **Teaching Subjects:** Principle of Economics, Macroeconomics, Trade Analysis, Statistics, Research Methodology, Data Analysis, Data Science, and Python, and R.
