Please answer the following questions briefly in the participant's own words:

1. What made your organisation join the AI training programme?

Answer: Our company decided to join this training because AI is one of the leading technologies in marketing and sales today. We understand that technology is important for supporting business operations and improving the speed and efficiency of work.

2. How has your experience with the AI training programme been?

- a. What stood out as highlights or particularly memorable moments? Why?
- b. Were there areas where the programme could be improved?

Answer: I was very interested in learning how to use AI, especially in editing pictures or images and create the Videos.

3. In your own words, please describe how the programme has benefited your company and the results you have seen after completing it.

- a. Can you share a specific example or story of how your team applied what you learned?
- b. What change (small or big) have you noticed in your business since the training?

Answer: After completing this training, I can see that Using AI is very broad, and it can help us a lot with administrative work. For example, after completing this training, my business has become more flexible and attracts more customers.

4. If you had to explain/describe the value of the AI training programme to another company or business leader, what would you tell them?

- a. Would you recommend this programme to others? Why or why not?

Answer:

- If I had to explain the value of the AI training program to another company or business leader, I would explain them about how to write prompt, organize the business structure and create some videos.
- I will recommend this program to others because if people know a lot about the AI and know how to use it, so AI will help businesses reach a broader market.
