Please answer the following questions briefly in the participant's own words:

1. What made your organisation join the AI training programme?

Answer: Our company decided to join this training because We want to to further strengthen and accelerate business growth through digital transformation

2. How has your experience with the AI training programme been?

a. What stood out as highlights or particularly memorable moments? Why?

b. Were there areas where the programme could be improved?

Answer: For me, I'm really interested in the strength of how AI can help us with preparing documents and how we edit videos.

--

3. In your own words, please describe how the programme has benefited your company and the results you have seen after completing it.

- a. Can you share a specific example or story of how your team applied what you learned?
- b. What change (small or big) have you noticed in your business since the training?

Answer: I can learn how to edit photos and posters to post in social media platform to promote my workshop. After learning, our work will be done faster and more efficiently.

4. If you had to explain/describe the value of the AI training programme to another company or business leader, what would you tell them?

- a. Would you recommend this programme to others? Why or why not?

Answer:

- If i had to explain the value of the AI training program to another company or business leader, I could tell them that this program is great that we can accelerate our working and this program has a lot of experts to teach us.
